INTERNATIONAL SEMINAR

Satyagraha in the Twenty First Century
Social, Ethical and Spiritual Dimensions in Global Pursuits of Truth

22-24 October 2019

India International Centre, New Delhi

The international seminar aims to take the philosophy and methodology implicit in Gandhi's Satyagraha campaigns in South Africa and India and examine the social movements and philosophical discourses in the 21st century.

The focus of the discourse would be new and fundamental questions regarding global transformation with an emphasis on marginalised groups as well as environmental issues such as:

- a. Revisiting Gandhi's Satyagraha experiences in South Africa and India in the light of new researches
- b. Gandhi's concept and practice of truth
- c. Satyagraha in the global arena
- d. Lessons from Social Movements in Independent India for the theory and practice of Satyagraha
